

Dear Blueprint Coalition Partner,

Thank you for committing to advance the values and policies of the Blueprint for Education Transformation. We know that you advance these priorities in your work each and every day already, and we are excited to bring your perspective and experiences to a citywide effort to improve education opportunities for Every Houston child.

Good Reason Houston is the founding coalition member and has taken on the role of coalition convener, but we believe the strength of the Blueprint for Education Transformation lies in the credibility and commitment of a broader set of community leaders working together.

On behalf of the coalition, Good Reason Houston commits to:

1. Support the work of ALL quality public schools and public education programs in Houston.
2. Staff and coordinate all information sharing, coalition meetings, and support the communications between coalition members and
3. Amplify the aligned work and priorities of all individual partners.
4. Keep coalition members aware of important policy priorities at state and local districts.
5. Staff and convene events to engage the community and partners to expand the reach of all partners.

We ask that each partner commit to:

1. Co-host at least one Blueprint event each year on an issue that is relevant to their work and constituencies.
2. Participate in social media and other communications opportunities to amplify the work of other partners.
3. Attend at least three coalition meetings to preview key priorities each year.
4. Lend your organization's name and logo to Blueprint communications, including social media and the Blueprint website.
5. Inform and engage other coalition partners on your work to advance the Blueprint Values and Policies.
6. Assign a consistent point of contact or Blueprint activities.

Please sign this agreement and return with a high-resolution logo for your organization to info@ablueprintforchange.org, to become a Blueprint partner.
